Mr. SANTORUM. Mr. President, I thank all of those who have been involved in trying to clear this piece of legislation. This is a very important piece of legislation for the preservation of the Paoli and Brandywine Battlefields. There is money in the Interior Appropriations bill to help with the State and local funds to combine to purchase a piece of the battlefield that would otherwise be sold for development. It would be a real tragedy to lose a Revolutionary War battlefield because of inaction in the Senate.

I appreciate the bipartisan support we had to clear this particular bill be-

cause the deadline is tomorrow. The development contract would have been exercised, and we would not have been able to purchase this land by clearing this bill today in time to get that done. It is very important to the people in that community.

I thank the minority leader, Senator DASCHLE, Senator BINGAMAN, Senator JOHNSON, and many others who were involved in helping to clear this issue on the Democratic side, and I certainly thank Senator MURKOWSKI for his effort in putting that together on the Republican side. Obviously, the sponsors of the bill, Senator SPECTER and myself, are appreciative of the work that was done to take this bill out of what is a very big stack of bills that I know many Members want to have moved in the Senate and to treat this specially because of the time sensitivity. At a time when comity is short because of how difficult these last few weeks have been, people have put those kinds of differences aside and recognized what is in the best interest of all involved. That speaks volumes for both sides of the aisle. So I want to commend, in a time of difficulty, and maybe even rancor, the people who put their differences aside and did do what is right. It is a heartening thing to me personally, and it is certainly something that I will long remember and appreciate.

Mr. President, I ask unanimous consent that the amendment be agreed to, the bill, as amended, be read the third time and passed, the title amendment be agreed to, and the motion to reconsider be laid upon the table.

The PRESIDING OFFICER. Without objection, it is so ordered.

The amendment (No. 2295) was agreed to.

The bill (H.R. 659), as amended, was read the third time and passed.

The bill will be printed in a future edition of the RECORD.

The title was amended so as to read:

An Act to authorize appropriations for the protection of Paoli and Brandywine Battlefields in Pennsylvania, to authorize the Valley Forge Museum of the American Revolution at Valley Forge National Historical Park, and for other purposes.

THE CALENDAR

Mr. SANTORUM. Mr. President, I now ask unanimous consent that the Senate proceed en bloc to the following bills on the calendar: Calendar No. 134, S. 548; Calendar No. 174, S. 938; Calendar No. 173, S. 762.

The PRESIDING OFFICER. Without objection, it is so ordered.

Mr. SANTORUM. Mr. President, I ask unanimous consent that amendment No. 2296 to S. 548 be agreed to and amendment No. 2297 to S. 938 be agreed to.

I further ask unanimous consent that any committee amendment, if applicable, be agreed to, the bills be read a third time, passed, and the motion to reconsider be laid upon the table, and that any statements relating to any of

these bills be printed in the RECORD, with the above occurring en bloc.

The PRESIDING OFFICER. Without objection, it is so ordered.
